Community Eligibility Provision (CEP) - Site Eligibility

General Information

Instructions

The Community Eligibility Provision (CEP) for the National School Lunch Program (NSLP) provides an alternative to household applications for free and reduced price meals for economically disadvantaged students in local educational agencies (LEAs) and schools. Sites that elect this option agree to serve all students free lunches and breakfasts for four (4) successive school years and claim the meals based on a percentage of Identified Students multiplied by a USDA-defined multiplier factor.

Sites which have an Identified Student Percentage (ISP) of 40% or greater are eligible for this option.
 Sites which have an Identified Student Percentage (ISP) between 30.00% - 39.99% are *potentially eligible*.

Enter each Site's Number of Identified Students and Enrollment as of the Reporting Date.
